More than 100 Organizations Endorse Propositions LL and MM

Colorado organizations representing parents, families, farmers, educators, medical professionals, local governments, elected officials, and advocates support Healthy School Meals for All

This November, Colorado voters will have the opportunity to vote [YES on LL and MM](#) so every child in Colorado can continue to get a healthy meal at school and to help Colorado families, older adults, and people with disabilities afford groceries. Today, the Yes on LL and MM Campaign announced the support of more than 100 organizations across Colorado.

“Children shouldn’t have to worry about the cost of lunch, or skip a meal because their family can’t afford it. Organizations from across the state all agree, vote yes on LL and MM so every child in Colorado can continue to get a healthy meal at school,” said Erika Cervantes, Hunger Free Colorado’s Director of Organizing and Community Partnerships.

A YES vote on Propositions LL and MM will support access to healthy food for Colorado kids and families, provide access to free school breakfast and lunch for all Colorado public school students, provide our schools with the resources they need to prepare healthy and nutritious meals with ingredients from Colorado farmers and ranchers and help Colorado families, older adults, and people with disabilities afford groceries. Colorado's *Healthy School Meals for All* program allows schools to provide more than 600,000 free, nutritious meals to students each day, helping students be more engaged and attentive in the classroom.

In September, the Yes on LL and MM campaign held the three campaign kick-off events at the Southeast Farmers' Market in Colorado Springs, Sprout City Farms in Lakewood and Rocky Mountain Elementary Park in Clifton. Photos and videos of the events are available for use in this [Google folder](#).

Election Day is November 4, 2025 and eligible Coloradans can register to vote and update their voter registration at [GoVoteColorado.gov](https://www.GoVoteColorado.gov). Propositions LL and MM are the only statewide initiatives on this November's ballot.
